Vandenberg CV 10 2016.doc

Hi Junjie,

I very much enjoyed the visit to DKU and the opportunity to present a seminar and meet with faculty and students. Please extend my thanks to Wanyong and others for the seamless support for our travel, including our stay Thursday night before traveling back to the US.

Thank you for the possibility of an opportunity in an affiliated position. I would be interested in being considered and don't anticipate any issues. What normally would be required is for me to request "approval for an outside activity" (we have a form for this). I have submitted a number of these and they have always been approved. I've attached my CV for your consideration, please let me know if additional information would be useful.

Thanks again to you, Jim and your colleagues for the opportunity to visit DKU. I found the visit to be very interesting and useful!

Best regards,

John

Hi John,

It was a pleasure meeting with you at Duke Kunshan. I hope you could come back in the future to help us build a program that bridges science and policy. Jim mentioned the possibility of an affiliated position for you at DKU. If you are interested, and EPA allows you to do so, could you send me a copy of your CV? Thank you for your consideration.

Best,

Junjie
